EXHIBITOR GUEST PASS

This pass provides **FREE** access to OSP EXPO®'s exhibit floor, keynote addresses, regular seminars, networking events, and more!

Network, socialize, and learn about the latest and greatest products and services while at OSP EXPO. Meet with telecom professionals who are showcasing and unveiling new methods, practices, and solutions – the things you need to get your job done in this tough economy.

Telecom's leading tradeshow for the OSP, OSP EXPO delivers solutions, products, and technologies for broadband network deployment of today and tomorrow. Professionals from the ILEC, CLEC, and IOC communities serving the converging telecom industry attend OSP EXPO.

- Gain knowledge and exposure to new trends, products, and resources available for your company
- Stimulate new ideas and creative ways to support your business
- Participate in seminars, summits, and networking events that only take place at OSP EXPO
- Attend seminars and earn CEC credits from BICSI, ETA-I, and BCSP
- Gain exposure to new people, new business, and new ways of thinking for your business success
